Norm met with the commission that handles sponsorship of multi-use paths; the path that is most visible is the one on the north side of Charleston Road near Cochise College and the High School. The Chapter would need to clean it once a quarter. After 6 months we’d get a recognition ceremony; our obligation is for 2 year

period. Discussion of the issue was positive. Norm P. / Terrie G. motioned that we undertake this effort. Motion passed. Norm will start the adoption process [Norm completed the adoption process and the “Adopt a Site Agreement” is attached to the minutes].

**NEW BUSINESS:** Pres Covalucci.

- The President led a discussion of Weinstein Award Sponsorship. There was plenty of discussion concerning both the Pro’s and Con’s of MOAA sponsoring the award. Pro’s included the excellent association we have with the key activities on Ft Huachuca and the continuation of that association (particularly with the MI Center of Excellence). The Con’s include that this is an award to a single MI officer (not necessarily from Ft Huachuca) and also only Army specific and MI specific. Bob C. / Tom H. moved that we go back to Ted Martens and suggest that this is more appropriately handled by the MI Corp Association; the motion passed [the President responded to Ted Martins declining MOAA Chapter participation].
- Tom H. led a discussion of the Memorial Day Ceremony. Eight organizations have already committed to being involved in the ceremony; Tom is looking for about 8 more. There were 11 total applications. One from a Home Schooled student, two from Tombstone High School and eight from Buena High School. All students interviewed by the committee were found worthy of being granted a Coronado Chapter Scholarship.
