PRESIDENT

JAMES CLENNEY

I hope you are enjoying the waning days of the Monsoon weather. This weather (coupled w/ summer travels) bolsters our certainty that we live in a beautiful part of the world! I also hope that you have been kept busy with family and friend's activities. This has been a busy summer for the Coronado Chapter!

To start off, I want to welcome Ed Wozniak into the role of 1st Vice President. He brings a great deal of experience and knowledge to the position. I look forward to his leadership and council. Please join me in thanking him for his service to the Chapter.

In August, I received notification that the Chapter has been selected as <u>MOAA 5 Star Levels of Excellence Award</u> winner. Out of just over 400 MOAA affiliates, 161 councils and chapters nominated themselves for recognition this year. Despite a difficult year of transition from the COVID-19 pandemic the Coronado chapter was recognized to have "adapted and improvised when necessary to support and foster programs that directly support the MOAA mission," and our community. Tom Day (Immediate Past President) lead the charge on this effort and I appreciate his leadership and model service.

The challenges we have faced together, during and following the pandemic, have been tough. Coronado is facing several issues head on. One issue brought to our attention is the rising costs of activities of the Chapter. Our partners at Pueblo del Sol Country Club find themselves in a position of raising charges to meet their supplier economic pressures. Our PDS dinner meeting ticket price will increase to \$36 as of the October dinner. The Directors are evaluating many different options and opportunities. There is a wide range of options open to us; including, adjust to new pricing, schedule Luncheons, and find alternative locations/offerings. Please offer your comments and thoughts to 2nd VP Tom Hessler. We must and will develop a coherent plan to present to the Membership in the near future.

Unfortunately, we lost several leaders from among our ranks during the summer. Each of us have independent and snapshot memories about George Kirmse, Ruth Britton, and Bob Breed-

ing. Their departure is painful for us; whether as loss of a friend or as loss of ones who lead us. The Chaplain's segment of this Heliogram will have more.

This summer Coronado Chapter members continued to serve the community. Director Susan Day has begun the Scholarship activity for the coming year. We are continuing to reward scholars announced earlier in the Spring, by hosting 2022 JROTC Medal awardee Valen Morales at our September Dinner meeting. Director Wysong will fill us in on all the summer activities in September.

Our national program recognizing the Distinguished Honor Graduates (DHG) of the Commissioned and Warrant officer courses on Fort Huachuca continued at a high optempo. MOAA acquired seven officer-members through this program! Coronado is one of several chapters in the U.S. coordinating these awards. I was recently informed that our successful program acquires approximately a third of all DHGs that are gained nationally. Several officers have joined in serving as presenters of the award this summer. If you have an interest in helping us, by coordinating this program, we could use your expertise.

I received notification that the Chapter was awarded the MOAA 5 Star Col. Marvin J. Harris Communications Award for the our Print/E-Newsletter for 2021! Congratulations and earnest Thank You to Harry Mallory and all who have input to the publication you are now reading. Much effort goes into keeping you informed through this instrument.

I encourage you to check out the monthly newsletter on <u>http://moaacoronado.org</u>. Check in on your compatriots' status, events, or observations on <u>Coronado MOAA Facebook Coronado MOAA</u> <u>Instagram Coronado MOAA LinkedIn</u> <u>Coronado MOAA Twitter</u> Stay well. Keep in touch with each other. Thank you for your service to our country and community. V/R Jim C

## **CHAPLAIN NOTES**

TOM DAY CHAPLAIN (COL) USA (RETIRED)

Friends in Coronado Chapter, it is again my honor to be your Chaplain. George Kirmse served for many years as your Chaplain and his wisdom and beautiful prayers will be missed greatly. He served our country, our Chapter and community faithfully and set an example for us all. Another member who passed this year was Ruth Britton. She was also active in our community and was a faithful member of our chapter and a good friend to many. We are also saddened to hear of the passing of Bill Breeding, a long-time member and previous officer of Coronado Chapter. He served our country and our community actively in many ways.

If there is anything I can do for you as your Chaplain please let me know. Since I am often out of town in my racetrack chaplaincy job, we have an Assistant Chaplain willing to assist you when I am away. Allen Goodman is our very capable Assistant Chaplain. We wish to be of assistance if there is anything we do to serve you. My number 915-588-9281 and I can reach Allen if I am not available.

Tom

CDR Merle L. Kilpatrick, USNR (Retired)

## A Legislative Reminder

The weekly National <u>MOAA Newsletter</u> is forwarded by email every Thursday/ Friday to all members and prospective members of Coronado Chapter of MOAA for your information and possible action. The Legislative Advocacy section usually has three topics of interest where a pre-formatted email, by your individual zip code, can be sent to your Legislators, House Members and Senators, to advise them of your thoughts on each selected topic. It only takes a few minutes to fill in the information in order to send the email to the appropriate Member of Congress. On some selected topics, a phone call is also an option. There are directions for each method of contact included with the topic.

When we as members make our collective voices heard, **people listen**. It sometimes takes a while to achieve the desired result, but the effort is worth the time. Several major items have been passed in the last year to assist current military members, retired military members and other veterans. With your help, MOAA and other veterans' organizations will continue to advocate for all military members and their families.

Merle Kilpatrick CDR USNR (Ret.) Legislative Director Coronado Chapter MOAA mlkplk@hotmail.com

If you are not receiving the MOAA Newsletter electronically and would like to, please go log onto your Profile page on the MOAA.org website and adjust your "<u>Communication</u> <u>Preferences</u>" and "<u>Opt In/Opt Out</u>" sections.
