PRESIDENT

JAMES CLENNEY

LCDR, USN (Ret.)

Welcome to February! Although it has been (a bit) chilly, I hope you are enjoying the march of seasons through our beautiful region of the country.

Our region is heavily impacted by the activity at (and near) the border with Mexico. The Border Patrol is tasked with a top priority of keeping terrorists and their weapons from entering the U.S. while welcoming all legitimate travelers and commerce. CBP officers and agents enforce all applicable U.S. laws, including against illegal immigration, narcotics smuggling and illegal importation. The chapter welcomed Brian A. Terry Patrol Officer-in-charge Michael Hyatt at the January Membership Dinner Meeting. His presentation was sobering and informative. For those of you who wish to dig further into the numbers, the data that he presented was derived from [Nationwide Encounters | U.S. Customs and Border Protection \(cbp.gov\)](#).

The Chapter installed officers and directors at the January Meeting. Thank you and Welcome to 1st Vice President Ed Wozniak, Treasurer Samantha Carlson, Membership Director Allen Goodman, Surviving Spouse Director Jennifer Venola, Legislative Affairs Director Merle Kilpatrick. They need your input and support. I charge all members to keep your chapter leaders informed about needs and recommendations. We cannot move forward with our mission without your support.

I want to make particular mention of our Membership Director Allen Goodman. Allen is responsible for guiding the recruiting efforts and member retention for the chapter. His enthusiasm for our mission and our members will certainly carry us into new and fruitful territory. Please share your ideas, for maintaining or improving our chapter's vigor, with him.

I am excited to announce that Coronado has enrolled in MOAA's Online Dues Payment System. Treasurer Samantha Carlson registered us in the system early this year. This gives members a secure online method to join, pay dues, and donate to our Chapter Scholarship fund. You may locate the program by logging into [MOAA.org](#) and navigating to "Chapters" (upper right corner) then pressing the hypertext link Pay Dues Online.

Please share with others the fact that our scholarship program for 2023 is underway with applications due 1 March 23. There is much more information available below in this edition of the Heliogram. Director Atchison-Day and her committee will be evaluating the scholar's applications and, typically, recommend very sharp young people for these scholarship awards.

Members, we are asking you to acquire additional items for the Scholarship Raffle held at Membership meetings. We currently get a good number of donations from the SV Symphony Association (symphony tickets), Texas Roadhouse (bucket with goodies and meal certificate), and Applebee's (meal certificate). Please consider asking your favorite local businesses to partner with us through donation of gift certificates. Some ideas are Home Depot, Lowes, local restaurant, or movie theater.

I want to thank you for your support of our activities performed in support of our mission. Your acts of advocacy have proven to be vital to supporting the needs of local veterans. Indeed, your support of legislative efforts has a direct impact on nation-wide needs of veterans. For more information on how you can help, connect with our Advocacy in Action pages at [MOAA | Legislative Action Center \(quorum.us\)](#).

**PAST PRESIDENT****TOM DAY****CHAPLAIN (COL) USA (RETIRED)**

A new year is upon us, they go by so quickly. I pray that this year will be a good year for each of you. Susan and I have been traveling for a couple months and I thank Allen Goodman for assisting during that time.

We are saddened to learn of Nancy Hessler's passing. We will miss her smile and friendly greeting at our Dinner meetings. She will truly be missed. Please keep Tom and his family in your thoughts and prayers.

February 14th is Valentines Day. I encourage you to use that as a reminder to reach out to some of our members you have not seen in a while and give them note of encouragement and let them know we are thinking of them. Let me know if there is anything I can do as your Chaplain. Blessings!

Tom

**SCHOLARSHIP****DIRECTOR****Susan Atchison-Day,

Thank you all for your support and contributions.

LEGISLATIVE DIRECTOR

**CDR Merle L. Kilpatrick,
USNR (Retired)**

MOAA Priorities for the New Year

As the new year starts, the 118th Congress will get to work addressing the challenges facing the nation. MOAA will keep a close eye on the various bills and other issues that come up for discussion. The priorities outlined below will be managed in real time as MOAA will determine the specifics necessary to keep our commitment to ensure the proper pay and earned benefits promised through uniformed service and necessary to maintain an all-volunteer force.

Please check back regularly, via The MOAA Newsletter and calls to action on MOAA's Legislative Action Center, to track the key advocacy issues.

Compensation and Service-earned Benefits: Ensure pay and allowances are adequate to maintain an all-volunteer force; Ensure pay continues for all 8 uniformed services during a government shutdown; Achieve concurrent receipt of military retirement pay and VA disability pay.

Military Housing: Restore BAH at 100% of housing costs per military housing area; Ensure barracks are safe and a healthy place to live.

Health Care for Currently Serving and Retirees: Maintain the hold on medical billet reductions until required reports clarify how any cuts will support readiness and beneficiary access; Reverse the degradation of the pharmacy benefit; Address the TRICARE Young Adult parity issue to mirror benefits available in commercial plans.

Health Care and Benefits for Veterans: Monitor recent major legislation enacted such as the PACT Act to ensure compliance with the legislation as written and seek statutory or policy changes as required.

Service Families: Improve congressional support for uniformed services families.

Survivors: Repeal the recoupment of the last month's paycheck after a retiree's passing; Improve Dependency and Indemnity Compensation (DIC) baseline to align with other government entitlements' baseline of 55%.

Guard and Reserves: Continue to pursue reserve component priorities and improvements to meet servicemember and force readiness requirements; Overcome delayed pay for Guard and Reserve when promoted and when retired.

These goals will serve as the framework for MOAA's legislative advocacy as we head into the new year and the new session of Congress. As new issues emerge, MOAA will be at the ready to respond and advocate on behalf of our nation's servicemembers, veterans, their families, caregivers, and survivors.

We were recently informed about a significant change in available **Mental Health Support for Veterans**. US military veterans in an "acute suicidal crisis" can receive free treatment including inpatient care up to 30 days and outpatient care for up to 90 days.

The expanded care as announced by the Department of Veterans Affairs is meant to "prevent veteran suicide by guaranteeing no cost, world-class care to veterans in times of crisis." Veterans who are seeking that care can go to any VA or non-VA health care facility, and they do not have to be enrolled in the VA system to receive care.
