## PRESIDENT

JAMES CLENNEY

LCDR, USN (Ret.)

I was surprised this week by something in the mail. It was a certificate recognizing Coronado Chapter's 50 years of serving as an affiliate of MOAA. That is quite an achievement. I have been reviewing the past history of this chapter. 1973 was a year to remember. That year, Eric Osborne and 47 officers and one widow developed our chapter. By comparison, I enlisted in 1973, and have had many things happen to me since then. I think about what changes the Chapter has seen in the years between 1973 and 2023. That spawns gratitude for the leaders that have gone before, guiding us through the various challenges and service needs of our community.

One high visibility activity that Coronado members support is the Scholarship program. We are deeply involved in this because, as written in MOAA's guiding principles, education is a cornerstone of democracy. Susan Day Ed.D. has been an excellent leader who sought out and found amazing students to receive the benefit of a monetary award. I encourage all who are giving, your money is well spent on these young people. I encourage all who are not currently giving to the scholarship fund to consider this as a target of giving. As the economy falters, your gifts are more valuable than ever before!

The Distinguished Honor Graduate program (DHG) continues with the help of Allen Goodman, Trish Thompson, Theresa Walsh, Tom Day, and Merle Kilpatrick. The new DHG awardees are often beginning their career in the Army and are ripe for education regarding how to access and protect their family's benefits. If you are at all interested in this program, contact me. This is a great opportunity to influence and have an impact on young officers.

I want to acknowledge the work of the National Guard who have been until recently assigned to the border. I wish them good favor as they head home. Related to that, I have included some information below regarding the SABRE program, and a note by Sheriff Dannels.

Our surviving spouse dinner was very well attended and instructive. Your feedback gave us lots of recommendations and ideas. The presence of our honored surviving spouse members was heartwarming. What a great and terrible position they hold. I praise you all for surviving and thriving and serving, by sharing your experiences and lessons learned.

I am honored to belong to an organization that recognizes and welcomes the strengths that come from being a surviving spouse. Following SS Director Venola's request to step down, the Board approved me to step in as the interim Surviving Spouse Director with the assistance of a Steering Committee. The committee has done great work and is Thanked for keeping me 'on task.'

Last month I had an opportunity to present to the Democratic Women of Southeastern Arizona. It is always a privilege to share MOAA's strengths, goals and visions with people. It is more of a source of joy to share with people who may be only vaguely familiar with the issues that veterans and uniformed services members live with. There is recognition of the sacrifices that have been experienced by our members and, perhaps in the case of the DWSA, recognition that there are real reasons to support veteran-related legislation. I ask all members to seize opportunities to talk about veteran issues.

If you ever have an opportunity, you can prepare for interactions with others by finding our legislative priorities at: [MOAA | Legislative Action Center \(quorum.us\)](https://www.moaa.org/legislative-action-center). This website is an excellent organizer of your actions as an active citizen. I strongly encourage you to check it out and increase your personal influence.

v/r  
Jim C

Members of the Surviving Spouse Steering Committee met at Urbano's to discuss the way forward for the chapter. We have developed guidelines for the Director, organized much of the March 2023 Surviving Spouse Dinner. Serving on this committee are: Janet Bobar and Jennifer Venola (not pictured). Pictured are Jodie Heinz, Donna Goodman, Kaylee Nix-Wozniak, Kandy Clenney, Jane Strain. Jim Clenney is serving as the Interim Surviving Spouse Director.

Our March Dinner meeting honored Surviving Spouses. 40 people attended, including 10 Surviving spouse members.

Directors Theresa Walsh, Merle Kilpatrick (below left), and Allen Goodman (below) presented aspects of their respective areas of responsibility as they relate to Surviving Spouses.

Do you recognize anyone in these pictures? Why don't you join them at our next dinner meeting?

Our dinner meetings are often host to new members and visitors. They are able to enjoy networking with long time members in a relaxing and informative environment

The great thing about our monthly dinner meetings is the people. We get to see people we haven't seen for a while and people we see all the time as they serve in the community. We have an excellent corps of members.

## Where did Coronado Chapter Come From?

COL Joe Puett serves Coronado Chapter by being the 'Keeper of Important Information' a position known widely as the Chapter Secretary. Among the items that he archived is the following information about the founding of Coronado Chapter.

As early as March 1972, members of the Retired Officers Association (TROA) living in the Sierra Vista area were holding meetings to discuss the formation of a local chapter. At that time there were about 200 TROA members residing in the area bounded by Douglas, Benson, Hereford, and Nogales. The only existing chapter in Southeastern Arizona was in Tucson.

That month COL Eric R. Osborne (Ret) received a letter from TROA with an offer of financial assistance in the establishment of a "new chapter in the Fort Huachuca area." Later that year, COL Osborne attended the annual TROA convention in Washington, D.C. and soon began corresponding with COL Sidney Harris (Ret) of Tucson (TROA Regional Representative) to make final arrangements for the formation of a chapter.

According to an article appearing in the Herald Dispatch on 26 January 1973, "A group of retired officers met on 18 January to form a local chapter of the Retired Officers Association. The name "Coronado" was selected for the chapter as it will seek members who reside in Cochise and Santa Cruz counties, an area explored by Coronado. . . ." At this meeting an "initial" board for the chapter was named. It was announced that the chapter would hold a general organizational meeting the following month on 15 February.

At that ensuing meeting, held at the Lakeside Club, an election was held during which six were elected to the executive board and nine were elected to the board of governors. Those elected were from Sierra Vista, Hereford, Bisbee, Douglas, Sunsites, Tombstone, and Nogales. Fifty-nine persons attended that meeting which included a buffet dinner costing \$3.50 per person. Following that meeting, COL Osborne sent a letter dated 21 February to TROA to which was attached "a signed copy of the Constitution and By-Laws, the list of elected chapter officers, and the list of chapter members. The latter list comprises the "Charter Members" - those who had signed up by the time of the dinner meeting." The list contained the names of 47 retired members of TROA and one widow.

At the next meeting held on 15 March at the Lakeside Club the chapter's charter was presented by a representative of national headquarters and was signed by all members present. There are 34 signatures on the charter. As reported in the 22 March Issue of The Huachuca SCOUT, "It's official. The Coronado chapter of The Retired Officers Association (TROA) now has its charter."

It is with sadness that I report that one of our faithful members, Gene Manring, passed away on February 2<sup>nd</sup>. Please pray for his wife, Helen and their family. He was very active in our community after his retirement from the Army and will be greatly missed.

If you know of one of our members who is ill please give me or Allen Goodman a call. We would be happy to give them a call or visit. Have a blessed April and hope to see you at our Scholarship Dinner on April 20.

## LEGISLATIVE DIRECTOR

**CDR Merle L. Kilpatrick,  
USNR (Retired)**

### Target on TRICARE For Life

#### Proposals would send costs to seniors soaring.

A biennial report from the Congressional Budget Office (CBO) takes aim at TRICARE For Life (TFL), offering two proposals among its options to cut the deficit that would significantly increase costs for seniors using the TFL benefit.

Both TFL options would reduce the federal government's mandatory spending via unacceptable plans to shift health care costs from DoD to uniformed services retirees. Similar concepts have been presented in past CBO reports which are issued every two years to provide information to lawmakers confronting budgetary challenges.

While these are not legislative proposals, MOAA believes we must address them as serious threats given recent cuts to the TRICARE pharmacy program and the series of TRICARE fee increases associated with Military Health System reforms. Here's a look at each proposal:

**TFL Enrollment Fee:** TFL beneficiaries pay Medicare Part B premiums but TFL enrollment is automatic and there is no enrollment fee or monthly premium for TFL coverage. A CBO proposal would require Medicare-eligible beneficiaries who choose to enroll in TFL to pay an annual enrollment fee of \$575 for individual or \$1,150 for family coverage. The enrollment fees would be indexed to grow at the same rate as average Medicare costs.

**TFL Cost-Sharing:** The other CBO measure would introduce minimum out-of-pocket requirements in TFL including an \$850 deductible. TFL would not cover any of the first \$850 of a beneficiary's Medicare cost-sharing. After the deductible was satisfied, TFL would cover only 50% of the next \$7,650 in Medicare cost-sharing. This means TFL beneficiaries could face up to \$4,675 in cost-sharing a year. Similar to the enrollment fee proposal, cost-sharing requirements would increase annually at the rate of Medicare cost increases. The cost-sharing option would also require TFL beneficiaries seeking care from military treatment facilities (MTFs) to make payments roughly comparable to the charges they would face at civilian facilities; this would reduce their incentive to avoid out-of-pocket costs by switching to MTFs.

**Effects of These proposals:** The CBO acknowledges these plans would discourage retirees from using their earned health care benefit. An enrollment fee would result in some beneficiaries foregoing TFL and switching to other Medicare supplemental plans. The CBO notes the out-of-pocket cost plan would reduce Medicare spending because higher costs would lead beneficiaries to use fewer medical services even though seniors in the Military Health System already have slightly lower health care utilization than their civilian counterparts, according to DoD's Evaluation of the TRICARE Program FY 2022 Report to Congress.

MOAA appreciates the importance of addressing the deficit but our nation must fulfill its obligations to those who served a full career in uniform. We will fight any proposal that increases costs to seniors who rely on TFL for their health care. Most of these beneficiaries are on fixed incomes and cannot absorb hundreds or thousands of dollars in additional health care costs. Equally important is protecting the future of TFL for current working-age retirees and career servicemembers. The TFL benefit was a key component of the compensation and benefits package that sustained the all-volunteer force throughout two decades of war. It must not be slashed just as the cohort that served their entire career during wartime is transitioning to retirement.

MOAA will fight any attempts to reduce the TFL benefit for retirees. Join us by telling your lawmakers to reject the CBO's TFL proposals.

## SCHOLARSHIP

### DIRECTOR

**Susan Atchison-Day,  
Ed D.**

All year you have been contributing to the MOAA Scholarship Fund, and your chance to meet this year's scholarship recipients is almost here.

Our Scholarship Awards Dinner is April 20, 2023, and I am hoping you will set aside the evening to come out and meet our honored guests. Eight students submitted applications, three from Buena High School and five from Tombstone. Five of these scholars are JROTC members, all from Tombstone HS, while the Buena JROTC was not represented.

The Scholarship Committee met on Friday, March 17, 2023, to interview each student and determine how to divide the \$12,000 set aside by the MOAA Board of Directors in August of this past year. Committee members are Bob Abney, Tom Day, Jane Strain, Kathy Youngblood, and Director Susan Atchison-Day.

In addition to our scholarship winners and their guests, which are usually family members, we will also be privileged to have a visit from one of last year's winners Gaby Dickey, who will help handout awards. In addition, CW4(R) Thomas Gross, Senior Army Instructor of the Tombstone JROTC, will attend as a guest of MOAA Scholarship Director Susan Atchison-Day and Past-President Tom Day, in recognition of his efforts to organize and motive his five cadets each to complete and submit a completed packet, all in one day, thus contributing to each of their academic futures.

We are hoping to see you at the Scholarship Dinner – complete reservation information is contained elsewhere in this newsletter. Please act today to reserve your spot. Any questions can be sent to [mtnriddinglady@yahoo.com](mailto:mtnriddinglady@yahoo.com).

## **Thank you to the National Guard and new job opportunities**

**Since 2017, the Cochise County Sheriff's Office has operated the Southern Arizona Border Regional Enforcement Team (SABRE), which uses cameras to monitor known drug and human smuggling corridors for criminal activity.**

Members of the Arizona National Guard assigned to the SABRE program can then dispatch law enforcement personnel to investigate when needed. Since its inception, SABRE support has assisted in detecting 116,700 undocumented aliens, apprehending 37,423 undocumented aliens and arresting 437 drug smugglers. Hundreds of pounds of illegal drugs including methamphetamine have been seized.

With the National Guard personnel set to depart in March 2023, SABRE is now poised to continue for the next 5 years as a self-sustaining program employing local recruits following agreement on an \$18 million grant from Arizona Department of Emergency and Military Affairs (DEMA), at no cost to the taxpayers of Cochise County. This agreement, approved at the regular Board of Supervisors meeting on February 7, fully funds 6 sworn peace officer positions and 28 civilian positions for a period of 5 years, as well as much-needed upgrades to equipment and supplies.

The impact of 34 quality jobs on the local economy in the form of these stable and well remunerated positions is great news for the Cochise County community.

**"On behalf of the men and women of the Cochise County Sheriff's Office in support of our citizens, I commend and appreciate the dedicated soldiers of our Arizona National Guard." Sheriff Mark Dannels said today.**

**"These military professionals have provided vital support to this office during a time where our southern border presents a plethora of complex public safety challenges. As their service mission comes to a conclusion, I applaud and salute these soldiers for helping making Cochise County a better and safer place to live. Thank You!"**
